Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the Light of my Light in your souls.

Meditate, **MATTHEW**.

My children, I come crying, wearing a suit, as you say on earth, in black, in death, poor my children who are in the world suffering this pain! But, look, if you have a peaceful conscience, you don't have to be afraid of anything; my Creator, your Creator, gave your life, my Creator and your Creator will take it; Do not be afraid, pray a lot, ask a lot, go to the Tabernacle, talk to your God, he is very offended, do you know why ?, because the world does not love him; The anger of my God, your God, is calming my Son and my Heart, men do not know what they are doing, they do not know how to pray, not who to go to God.

Look, shortly, very little, the Apostasy of the Church, of the world, will truly come, total silence, priests against priests will not be understood, bishops against bishops, cardinals against cardinals; it is strong and painful that I, your Mother, come to tell you this message; But a long time ago, I in all the places of the world have asked for prayer, fasting, confession, the penances that please my God, your God; How many and how many of my children do fasts, penances, confess and go to the Tabernacle! My children's youth is being lost, because they are not directed by these ministers who are placed on earth to attract them to the path of faith, of love, of hope; they live disoriented because they don't see a horizon. My children, you who are blessed by my Creator, your Creator, so that you may be ministers and take those children to the fold, convert, convert, my children, leave the world, seek your God, suffer him, carry the Cross of my Son, implant in your churches a clean and pure heart to attract all my children to the fold of my God, your God; the world will not want or want opulence, vices, miseries, drunkenness, hatred and lies and deceptions; you hide in lies and you want to be in front of men, good and you have a bad soul, you deceive and deceive, but you yourselves are deceiving yourself, my God your God cannot be deceived.

My children, pray a lot for the dying, for those who are going to die and are dying, that the Mercy of my God, your God, have mercy on all of them.

Juan, my son, how are you at the Table of my Lord, my God and my Father! How great you were on earth, you are already great in Heaven.

José, Portuguese, you are also in the Celestial Abodes.

Francisco and Jeremías, you still have to ask, although they are saved, the family you have to ask for these souls that are near those Abodes that my God, your God, made for all men.

You also have to ask for yourselves, convert, my children, every day, ask the Heart of my Son to take away bad dreams, greed, having and possessing, the self, it is an agony to have the self, because it is a work of the Devil, your God, my God, wants goodness, wants perpetual love, form yourselves in the Gospel, say every day the prayers that Holy Mother Church sends you; how few men and women already do it, because the world satisfies them and they are in the world asking the world for malice, power, possessing, the bad things that exist and they say they are good. No, my children, be perfect in love, truly love each other, seek your God; How many times have I told you that in that place where you are in the moments that you have freedom, talk to your God, my God, He listens to everyone: "Lord, You made me for You, I have to find You and look for You to always be there. your side, Lord I love you more than anything, take away from me that which hinders me and that I always despise the Devil, that You are my bulwark, that You are always my God".

My children, be holy as your Heavenly Father is Holy, so many children say: "it is impossible to be holy like a Rose of Lima, a Francis of Assisi, a Padre Pio"; They were men and women like you, what happens, my children, they took up the Cross, they denied themselves and they were walking with the Cross of my Son, and they always said "Your will be done to me and not mine", and many men put their will before God's and that is bad.

My children, my children of Faro de Luz and the whole world, do penance, fast, confess, and love your God more than anything, more than anything because He is your Creator and Lord.

I love you and I love you and I tell you once again, do not be afraid, he who is afraid is because

his conscience is not calm; My children, if you are truly in the Grace of my God, your God, whom are you going to fear? Death has to come, if in these moments death comes, my children, because God calls, you have to be joyful and content if your souls are in a clean and pure conscience; keep walking in love and return to this my House, your House, Lighthouse, do not be lazy, laziness is bad, it belongs to the Devil.

Thank you, my little ones, those who come every month to pray with Me and to ask for poor sinners; Here with me are many saints as always, so many saints! Today especially Francisco and Jacinta are, ask these children of love who ended their prayers with the war, and you with your prayers can end this bad virus. My God, your God, is here seeing what you do, do you kneel to ask for these things that are happening in the world? My children ask your God, my God, to have compassion on the world and to end this evil.

I tell you that soon, a few years, these things that I narrated to you at the beginning will come, the Apostasy, the silence of the Church that has been around for a long time; But you, my Catholic and Christian children, are going to have conflicts when you see that the Church is reeling and you cannot even go to confession; Ask a lot so that this does not come, and that the wrath of my God, your God, be calmed with your prayers; But yes, you have to fill the churches, do not be afraid, go walking step by step but with strength and say: "Jesus is by my side, I love you Jesus, accompany me, take me with you in your Heart" And you and you and you , my children, make a Tabernacle in your souls so that my Son of Love may always dwell with the Trinity and my Heart.

I love you very much and I say goodbye, goodbye, my children, with my Heart full of pain and tears for so many children who die in grave sin; I want with my Son and my God the Father to save them but they are taking a life of disorder, wickedness, greed, lust, wickedness and wickedness and that cannot enter Heaven, my children, purity enters Heaven Therefore, be helpful, good brothers and understanding with all those you see, and always carry the name of my Son in your hearts.

Now I bless you, my children, but as always my Creator Father God. My Son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Come, my children, to fill yourselves with the graces of the Trinity and the Grace of my Heart every first Saturday of the month, I am very happy because you are my warrior children who come to this House, my House, which is your House.

Goodbye children, goodbye little ones...

Our Mother in Monte Faro de Luz.
