Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

JESUS speaks to us:

My children, I am your JESUS, your God, your Friend, come to Me all humanity to eat and drink my Body and my Blood and thus you will have Eternal Life. Do not go after idols, my people are abandoning me as at the beginning, they do not want their God, they are turning their back on their God and I love them all and I want to save them all, I am the Way, the Truth, and life.

Why are you not humble, my children? Trample Satan, he is wreaking havoc in the world, but your God, if you go to your God, you will have happiness and you will be my children of love; give love to all those who are by your side, do not despise anyone, love with love is paid. I gave my Life for all men and today I am still giving it for so many sacrileges, sins, evils, miseries that they commit to my Divine Heart; Come to Me, all of you who are burdened, I will always be with you.

Listen to my Mother, bring her candles, light them and take them so that the miracle that will happen if you do it with faith may be fulfilled; May my Mother always have the light, although She is the Light, but she likes that you give her the candles to illuminate her Divine Heart.

Pay attention to her and do everything that She says, and you Lighthouse of Light, my children chosen for this holy work, listen to Her and do what She tells you, do not prowl or go there and here, tomorrow or the day after, but what He tells you to fulfill it and do it because then you will have the Kingdom that my Father gave you so much and made you for the end of your history. Seek the Kingdom of Heaven. How are you going to seek the Kingdom of Heaven, my children? Humility, penance sacrifice; pure, purity as I am Pure, my Mother is Pure, the Trinity is pure, Heaven is pure, and there goes the purity of the soul; That is why I tell you, today great for you, the Body and Blood of my Heart; Get into my Heart, ask my Heart, and always fight against the temptations that you are going to have.

Seek your God, seek Me, so that I may soften all the sufferings and sorrows that you have. I love you, my children, I leave you with my Mother.

Now our mother speaks to us

Come into my arms, my children, today my Son wanted to be here with Me; he always is, but today he has spoken for all of you. I am your Mother of light and consolation; the world is dethroned, my children; and I, as always, come to give you these Messages of Love.

Meditate **MARCOS**.

I come dressed in white like so many angels and so many saints who are by my side; and I tell you once again that you are the first Saturday of the month, it is my Heart's favorite prayer.

Come here to Faro de Luz, my House, your House, and come with contrition, with strength, with hope and love. I am your Mother of Consolation, my children; Look at how the world is, little ones, it is dethroning because they do not want their God, My God, everything does not matter, everything does not matter, deaths, children who kill, my children, the sin of the flesh, pride, drunkenness, drugs; They are no longer a few, there are millions of them who have turned to evil because the Devil has taken them.

Alert humanity! Take these words into account, humanity alert !, because you are humanity too and the Devil enters through the senses and you do not realize it; For this reason, always take the Tabernacle of my Son, go to Him, but go, love Him and be with Him, talk with Him; and my Rosary, may you always have it in your hands; and take the Gospel to the whole world, and be slaves of my Son, of my Heart; thus, having nothing, is how you live best; Happiness is not given by money, nor by vices, nor by miseries, happiness is given by my Son, his Love, his teachings; Therefore, my children, keep walking and take the Word of my Son to the world; and in your house let it be a house of prayer; and make Lighthouse groups around the world; be helpful to the Church, do not forget, the Church is going through a great crisis; many priests, my children, do not really carry out their ministries; Like you, many of you do not carry the ministries of your lives either, everything does not matter; no, my children, because there are some commandments that my Lord gave Moses for the salvation of men, listen to them, attend to them, meditate on them, love them, as the first says: "You will love God above all things, and then your neighbor as to yourself". Realize that you are children of the Light, that you have to change your hearts; do

charity, love each other, and be united, do not pander, as you say on earth, or carry gossip there and here, because this is not from God, this is from the Devil; even if we say later, or say, rather, that it is a good thing; no, the things of the Devil are of the Devil, the things of God are of God. That is why you, children of the Light, must always carry the mysteries of these Commandments in your hearts.

Love your parents, your children, your husbands; love each other, do not argue, do not be unfaithful to each other; and seek, as my Son has said, his Body and his Blood to have Eternal Life.

They call me a Lighthouse of Light, I am a Lighthouse of Light, come and I will bless you, and I bless you all, all, even those who have come for anyone asking for them; I bless you all, my children, I love you and I ask you to be happy and to come to this Holy Place where I appear and always am, and I will always be when one of you calls me.

Love the Pope very much, the critic of the world today. Why do you criticize the Pope if the Pope is placed by the Trinity? Do you know why? Because Masons are within the world and the Church, and they don't want goodness, the truth; so pray and ask for him. Pope Francis, my Favorite son; And those who speak ill of the Pope do not listen to them, pray for them.

My children, I love you, thank you for coming to my House of Love, and thus I give you my blessing, as always, but first of all, my Creator Father God, my Savior Son the Holy Spirit my Sanctifying Spouse and I, your Mother Miriam, Heart of Mary , Lighthouse of Light, Lighthouse of Light, Lighthouse of Light.

Go in peace, my children, I love you.

Goodbye little ones, goodbye my children

Our Mother in Monte Faro de Luz.
