Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate, my children, on my son **JOHN**, do not forget to do the reading in order to know my Son Jesus, your God, better.

This month is my month, of your Mother Mary, do you remember, you older ones: 'with joy and gladness we come to you to offer you every day our intentions, our love, our hope' How beautiful! And today my children who still remain, who are my children of Light, still come, or wherever they are, saying: 'Mary, You are my Mother, your month of Mary is in our hearts' But where are the young people, where are my children, the young people' Abortions, misery, drunkenness, mud, hatred, crimes, lies, idolatry... Where are my children? They do not realise that there is only one God who saves.

Why these manifestations of hatred, of having and possessing, oh what black souls, oh what black souls! That is why I appear in the whole world to tell all of you, my children, to ask and pray for all my children of the world, those who are forgotten by their Creator, my Creator.

Beacon of Light, my children, is Hope and Light, you all carry the Light in your hearts; but I want your souls to be clean, not black. Do not be afraid, my children, of the Love of your God. If they tell you, do not listen, pray for them, for I come into the world to give you the wisdom and the Love of My Heart, so that with Me we may save the world, My children; that is My Mission in the world Woe to those who withdraw from their God, woe to those who offend Him, woe to those who do not recognise their Creator.

Be perfect, my children, in prayer, in charity, in love; out of taboos of all that hinders you. Come to the Heart of my Son and to my Heart, because soon, very soon, my children, these things will come which in the world are already saying to each other, something special must come, because

the world is going through all the evil because the Devil is inside many of my children and they want destruction; but my Father, your Heavenly Father soon, very soon, you will be able to see and know how great your God is. I told you at the beginning, woe to those whose souls are black. That is why I say to you, go to confession more often, hear mass every day, my children, prepare yourselves for the event that perhaps many of you will see.

The Devil is evil and is taking many souls into his fold for whims, powers, money, fantasy, drunkenness, hatreds, lies. No, my children, not you, make yourselves a tabernacle in your souls, so that my God, your God, may dwell in your souls; make yourselves a tabernacle, a tabernacle in your hearts. And be very charitable to those who are next to you, and I mean, husband, wife, children, friends; do not criticise, do not murmur, do not say one word louder than the other, because there is God, my God, your God, and if you do those things, my God, your God, withdraws from you until you ask for forgiveness for what you are doing. No grudges, no anger, no insults; love one another, love one another, my children, and carry the Word of my Son to the world, even if they trample on you, even if they break your hearts; always say: 'Jesus is with me, whom shall I fear? Do not be afraid, my children, because your God, my God, will always be at your side; but yes, go to confession and go to the Tabernacle, even for a little while, do not pass by the church; you children of the Light have to do much prayer and much penance, not for yourselves, but for those around you. How many mothers are crying for their children who do not want to know their God! How many fathers are suffering, my children, for their children who take drugs, who do not want to know anything but vice and misery; how many are crying because of their illnesses, how many are saying, I want to die! No, my children, be brave, you must carry the cross, because the great Cross was carried by my Son, none of you in the world will ever surpass what my Son carried for all men. Why are we so selfish? You my children, the Devil is getting in, he is getting into Faro de Luz, he is getting into my Son, he is getting into good and innocent souls, withdraw from the Devil, trample him underfoot; do not listen to him, lead a holy life of love for your neighbour. Charity, my children, strength, light; therefore I also ask you to ask my Spouse the Holy Spirit to fill you with Light, with strength, with intelligence, so that you may be great saints. And I also ask you, once again, for my son, your Pope, your Pope, who is still not understood by men of law, nor by men of the Church, what the Pope is and who he is. I have always said it, and once again I will say it, for the Trinity, for the Trinity, Father, Son and Holy Spirit. The world must not murmur or speak ill of the Pope, because there, if they speak ill, they are speaking ill of the Trinity; do not judge and you will not be judged. Become like children, as I told you at the beginning. Children have no malice, they are not evil, only those who are of a certain age, as I have said and I repeat it

again, eight, ten, fifteen, sixteen years old, are already condemned by the Devil, by the vice of the flesh; and who is to blame for this? Many times, always, the parents; those little gadgets that you carry, I have told you so many times, it is condemnation for many, for many men and many women and many children, because that is where the vice is, although there are very nice things and you know it, but the Devil is very cunning and enters through the senses.

My children take the Bible, read it, not on the little device; when you go to my Son's church do not take the little device, leave it at home, and be face to face with your God, for there is the Divinity. The little device is bad, very bad; but I also tell you that there are good things, but most of them, out of curiosity, enter into the very sharp, into the rottenness that is in the world; because Satan is the one who rules your minds many times and leads you to failure, to lies and to Hell.

My children, I love you so much and I come to give you this catechesis, this Heart of mine which pours out strength and joy and hope for all of you, your children, your families. Help one another, and couples, take each other by the hand and talk about Christ to other couples, to give strength, so that the Devil may flee and leave your souls.

I love you, my children, I give you my blessing, but as always, my Father Creator, my Son Saviour, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Do not forget, my children, to sing to my Heart, I like you to sing to me wherever you are. Think that my Son, my Father Creator, your Father Creator, the Holy Spirit, my Spouse and I your Mother, love you until the end of your days. Be always in the presence of your Creator, in the grace of God, for you know neither the hour nor the minute nor the day when He will come to call your souls to account. I do not come to bring catastrophes, I come to speak to you with love, for I love you all and I want you under my mantle always, until the end.

Farewell, my children, farewell children, farewell little ones.
