

01st June 2024

Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

The visionary prays to our Mother for all:

- For all Mother, I pray for all, Mother, that we may all be good and go to your Immaculate Heart soon.
- So shall it be, my son.

Our Mother begins her Message:

My little ones, my children, have peace in your hearts and light of my Light in your souls.

Meditate, my children, on **LUKE**, on my little Luke.

Truly, my children, today is my Saint, Our Lady of Light; I have many Saints in my Heart, but today I am with you because you are Beacon of Light and I am Light for all. Ask me today especially for this Heart which is full of thorns and there is no one to remove even one of them with so many sins that man commits every day in the whole world. My children, I am here to give you these Messages of Love, these Messages to unite you, to be all united. I want all of you, my children, to go to Heaven with Me one day, but I have already told you that you must be saints, remove the clutter from your souls, your grudges, your delusions of evil; chew on obedience and love, you must be merciful to one another, chew on the Gospel of my Son and fulfil it; today the world is disoriented because many, millions, do not believe in their God, nor in my Immaculate Heart, they think that men will continue to do what they want and what they feel like doing because of so many sins of the flesh, of money, of hatred, of lies, of war, they will remain unpunished. Woe to those who do not ask for forgiveness in time for all that they are doing! For there is Hell, my children. You are finally coming to these apparitions so that my Messages may penetrate your souls and that you may do what I tell you. What do I say to you, my children, be submissive, humble, consistent with one another, and love, love is repaid with love; and that is what my God does, your God, if you give love, He gives you a hundredfold.

Many people, my children, say that everything is a lie, the apparitions where I appear. Yes, of

course, there are false apparitions, because they are for the selfishness of the pockets of some and others. This apparition asks nothing of anyone, only I come with My Merciful Love to save you from evil.

Walk silently, but quickly, for the time is coming and woe to those who are not prepared for Eternal Life. If man knew what Hell is, they would come on their knees to ask forgiveness from their Creator God.

Be good, my children, it is not difficult to be good, it is easy to be good, it is to give yourselves, to take up the cross and follow Christ, my Son of love who was crucified and is crucified every day for the sin of men; and He came to save you and to bring you to Eternal Life, to the resurrection of Love.

Now, my children, the Pope, your Pope, has established a Holy Year in Rome and I want it to be in June when you go, the small group that can, to do that penance, to pray with the Pope, make the effort to go there where your Pope is and pray with him, do it, those of you who cannot, you will not go, but I will make the remedy so that as many of you as you can go and pray with your Pope. June is the month of the Heart of Jesus, my Son, and of my Heart, the most beautiful month for you to go, because Beacon of Light, as you see, I have a Heart here, as you see, the Heart that will triumph in the world with my Son when that which my Son promised and I also promised at Fatima and in so many places in the world that we will triumph, our Hearts, will come.

Go ahead, my children, do not be afraid of the things they say to you because you are Christians, Catholic, apostolic, Roman, do not be afraid. Carry the Word of my Son always in your hearts, do not keep it there for yourselves, but pray with your brothers, and those who do not listen to you, ask and pray for them, they are the ones who are wrong, you are the Light, that is why you come here so that I give you Light in your souls, in your hearts; And as I have always told you, make a tabernacle in your souls so that my Son may enter and not leave, that He may always be with you because my Son is the author of life, the Love of loves, ask Him, ask my Son Jesus to resolve so many things that you have in your hearts, but be faithful, be faithful to your God.

Take off the masks from your life and give yourselves to your God: 'Lord I love you, Lord I love you, You created me for You and I will not rest until I find You, Lord give me peace, strength, give me, Lord, that which I need to see You, to be with You. Lord, give me peace, give me strength,

give me, Lord, what I need to see you, to be by your side' And so, if you do so, you will have no sorrow and you will not have to say, this God sends me crosses, He sends me what I cannot bear. No, my children, God does not want you to suffer, God only wants your love, and He will give you, as I told you before, a hundredfold.

Keep praying, keep going to church, fill the churches, the churches are empty, they are empty, you know why, because the world does not love their God, they have stopped loving Him and they indulge in what they should not do, in sin, especially the sin of impurity. Oh my children, my children, do everything you can, do everything you can, do everything you can, do all that you can, ask all that you can of your Creator God so that you do not fall into temptation and sin, as many children have left the church because of the sin of money, of the flesh, of vice, of lies, of hatred and also of war; God, your God, my God, does not want wars, he wants peace, but men, the understanding that one day my God the Creator, your God the Creator, gave to Adam and Eve, when they sinned, already gave them the understanding to do good and evil, that is why today, instead of doing good, men go for evil, that is why there is so much disorder in the world. My children, fight, be poor, be lovers of your brothers, give alms to those in need, get rid of what you will no longer have, one day at any moment your Creator will call you and you will leave everything here on earth for the worms to eat. Now enjoy the fact that your God has given you everything you have for free and you must give it for free, keep what you need, but give what is left over to those who have nothing, who need to eat, who need to clothe, who need help for their bodies, for healing, for illnesses.

I love you, my children, I love you and I truly ask that you who come to Beacon of Light that you are not just one, that in yourselves there are thousands of my children, for you when you carry the name of my Son you carry many souls in your hearts. Keep walking in love and for love.

And now, my children, my God the Father gives you the blessing, my Son of love, the Holy Spirit, my Sanctifying Spouse and I your Mother Mary, Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Do not forget what I have told you, walk, walk to Rome to pray and to ask for all mankind and thus do penance for the Love of the Heart of my Son and Mine.

Farewell, my children, farewell my little ones, farewell, farewell....

The visionary speaks to our Mother:

- Yes, Mother, everything will be done as You say, now it is You, Mother, who have to take and bring your children to do the penance that You want, to go and pray with the Pope so that wars may end and evil may end in the world. May the will of my God the Father, my God the Son and my God the Holy Spirit be done. Mother help us because without You we are alone, with You we can do everything. Thank You, Mother, for being here with us with Padre Pio, Saint Xavier, Rose of Lima, Saint Clare, Saint Francis, Saint Bernadette, those children of Fatima, your saints that You put there for me to see, there are so many and so many.

- Yes, my son, I want all of you who are in Faro de Luz and those who will come one day to sit on the throne of Heaven and also to be saints like those you are seeing, as you are seeing them. My son I bless you and I bless all my children, all the objects they bring, but most of all their hearts; little one be strong, be humble, be nothing, nothing, nothing.

Our Mother in Monte Faro de Luz.

Account Details for Donations

We inform you that we continue to pay for the meadow and we need to continue counting on your donations to meet the expenses. We greatly appreciate everyone's effort to make our Mother's Mission a reality. Thank you very much for your collaboration.
