Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate still on **MATTHEW**, my children, do so, for in this way you will know, as I have told you other times, my Son Jesus and his Word.

I am love and I come with love, and I give love to all of you who are here and to those who are not. I give love to the world, my Son gives love to the world, my Son is crucified for the world. Every day man commits sin, and my Heart is full of thorns, and there is no one to remove even one from me, because man's prayer is not perfect. How few, how few, how few! Alas my countries that loved their God and their Mother so much! They are mocking the Heart of my Son and my Heart; and more, the Trinity. Who are you, my children, to do these things that you are doing? The ego, evil tongues, the self, wanting and possessing, wanting to be gods. Where are you going, my children, do you not deserve punishment? What mercy my God, your God, has for all the men of the earth! Most of them should be in Hell, but He is patient, patient, patient. Talking, quarrelling, wars, hatreds, being mean to one another, not seeking humility, so man cannot be simple and joyful and charitable, if the Devil enters them. How can God, my God, your God, enter them? I am Love, my Son is Love, the Father is Love, the Holy Spirit, my Spouse, is Love. What do you seek from us, from Love; what are you giving to your God, your Creator? Infernal words, hatreds, drunkenness, lies, lusts, binge eating, where are you going, what do you want from your God? Your God is Mercy, and He is with you day and night, second by second. You owe Him your life, my children; prepare yourselves, prepare yourselves because one day, when you least expect it, the Exterminating Angel will come. Woe to those who are in sin! You understand, don't you, my children?

If one wants to go to Heaven, one has to be pure, obedient, charitable, giving; do not heap up treasures, treasures do not enter Heaven, purity enters, my children. Get rid of that which hinders you, seek your God, my God, but truly, without boasting, without shouting, without me, me, me,

me, me; no, humility, simplicity, charity, love. Today I come to tell you that I am Love, that my Son is Love, that the Father, my Father, your Father, is Love, the Holy Spirit is Love. Imitate Him, it is easy to imitate humility; seek the treasures of Heaven. And I am going to tell you, as I have said so many times and as my Son has said, give alms to those in need, go and see the sick; if you are at odds with each other, brothers, father and son, reconcile, embrace each other, because at that moment there is a feast in Heaven. But if you bear grudges and if you talk more than you should, how can God, my God, be there? There is the Devil, my children; trample him underfoot, hate the Devil, strike down the Devil with prayers, with penances, with sacrifices.

I am your Mother, Beacon of Light, and the same thing I say to you here I am saying to the whole world under another title. But I am the same, the Mother, your Mother, the Mother of all. Pay attention to my Purity, that I tell you Love, Love, Love; and I tell you more, I always tell you, Tabernacle, Tabernacle, Tabernacle; but not a routine tabernacle, not a telephone tabernacle; a tabernacle of your soul with your God. Talk to Him, talk to Him face to face, He waits; not because you pray so many rosaries, so many prayers, which sometimes becomes routine, Hail Mary full of grace etc. etc. etc. No, no, no; get down on your knees, or sit on a chair and say: 'Lord, I want to talk to You; look, Lord, this problem; look, Lord, this is happening to me; look, Lord, my neighbour in need; look, Lord, that helpless person who walks alone on the earth and is not looked at. Look, Lord, make me good, make me holy, purify me, save me, govern me. May everything that comes out of my heart be Yours, everything I do is Yours, without You I can do nothing, I am nothing; therefore, Lord, give me wisdom, good understanding, may I forget the bad, may I go to Your arms to take refuge and to tell You, here I am, Your will be done. If you want to take me now, take me to Heaven, but if not, make me a sacrifice, a cross in my heart to save myself and the world with you, my God, and with my Mother, Mary, Beacon of Light.

I love you so much, my children; thank you for being here, thank you once again for being in my presence. I am wrapping my mantle around you all, those who have not come and those who will come. Great will be the Lighthouse of Light, but you have to work for it, as I have said so many times, true warriors. And whoever wants to work for the Work, come and work, it is open, for this Work, this House belongs to all my children of the world.

Now, my children, I say goodbye to you; but first my God the Father Creator, my Son Saviour the Holy Spirit, my Sanctifying Spouse, and I your Mother Miriam Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Goodbye, my children, goodbye little ones, keep walking in

love for Love. And one more thing, make yourselves humble, make yourselves nothing, children, children, children, who will go to the Kingdom of Heaven.

Goodbye, my children.
