Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

My little ones, my children, have peace in your hearts and the light of my Light in your souls.

Meditate still **CORINTHIANS**, so shall you know your God, my God.

My children, do not be afraid, Christians cannot be afraid of the world, nor of Satan. Stomp on him, with our power, with our power, with the power of my Son and the power of my Heart. Do not be afraid, cry out to the world that my Son is here on earth, that He loves everyone, that He has come for everyone. He died for all, He, the Saviour of all mankind. How my Heart aches for so many ungrateful children who commit sacrilege to the Divine Heart of my Son and to my Immaculate Heart!

The world is in turmoil, that the world is going to end; no, my children; no, not yet; the end times yes, yes, yes, yes. Don't you see how the world is? Upheaval, crimes, agonies, suicides, wars; all these things have to come, my children, and nuclear wars, for the world to realise that there is only one God and that God leads all mankind. But man has gone away from Him, he does not want to know anything about his God, his Creator. What a pity, that is why my heart cries out in pain. And they put nails and thorns in me every second of the day and night, for so many sins that they commit against the Divinity of my Son. You, my children, who are here, are here to save the world with me and with my Son. I appear, as I have always said, in the whole world, and many go, but many deny it and leave, because they want to see miracles at once. Do you not believe that the best miracle you have is life, night and day? Those who are healthy and those who are sick, it is the work of God, of my God, your God. Because you, my children, you are not here for nothing, you have to carry your crosses, small or big, but carry them with love, with humility. Be submissive to your God: 'Lord I love you, tell me what I must do. Give me the strength, give me the faith, give me the understanding so that I may recognise that you are in my heart'. That is why, my children, I have told you so many times to make a Tabernacle in your souls, so that my Son of Love, your God, may enter and you may have life in your souls.

The world, my children, is being destroyed; of course it is, because there is hatred, and the Devil is in there, and he does not allow my humble children to move forward. Look at the Pope, what an example he is setting, and then they call him anything but beautiful, as you say on earth. The Pope who goes to these places where there is danger, there is danger; he is in danger and he goes with his heart of love, of hope, of charity to visit those souls who have nothing; and he defends those souls in the whole world. Why can't you defend him, why do you have to criticise, why don't you love as you should love, why are you silent and afraid of what people will say? Because you are children of God, my God, your God, raise your voice and say loudly: 'God loves you, God loves you, God created you for Himself' Well, my children, that is what you have to carry forward. Stop grudges, anger, insults; stop being mean, stop fighting with each other; do not criticise, my children, do not criticise anyone, because only the one who judges is your God, my God.

Be like children, become like children, and the sicknesses and joys offer them to my God, your God, for all mankind, for the salvation of the world. Husbands, love your wives with love; wives, love your husbands with love; children, love your parents with love; parents, love your children with love. Make a House of Bethlehem, as I did when I was on earth with my husband Joseph and my Son Jesus. We were a family of love, of charity, of hope, of praying those psalms that I also prayed to my God, your God: 'Father God, thank You for all that You have given me and are giving me. Father, You created me for You, I have to find You and search for You until the end of my days. I will not rest until I find You and have You in my heart'.

I told you at the beginning, 'make yourselves a tabernacle in your souls so that my Son may always dwell' Go to the churches, fill the churches, do not be afraid, for man's weariness is serious, he does not want to know anything, they are lazy for God, but joyful for wickedness. No, my children, you are of the Lighthouse of Light, and I give Light, therefore I bring you here and tell you to be happy and joyful. And ask Me, ask Me and my Son for all those things that you bring, for we can remedy it, you take heed. Be submissive and humble, come to the Heart of my Son and to my Heart, and we will relieve you. And say always, 'Praised and blessed be my Lord in the Blessed Sacrament of the altar'. Tabernacle, Tabernacle, Tabernacle, how many times I tell you, go to the Tabernacle, go in, talk to your God, to my God; talk to Him, He can do everything, you, my poor little ones, you are nothing, you are poor sinners. If you come to the Light, the Light will come to you. Light they call me, and I give Light, and I am here with you, and I bless you all and my mantle wraps you all in these moments. Go to your homes with much love; and be patient with those who are beside you, those who hate you, those who curse you, those who want nothing to do with your

God. Raise your voice, alert humanity, God is with us all, you are with all humanity!

Do this, my children, never rest from talking to your God. Meditate on the word of Corinthians in this month and thus, my children, you will be happy, because you will always have the Trinity, Father, Son and Holy Spirit in your hearts in your souls, do this, do not be lazy. Go to church, go to confession, do penance, love one another; and do these little penances to lead your brothers to the Light of Heaven, your Mother wants it so, and she tells you so, come here to my Heart that I will pour out Sweetness, Love, Charity, Prosperity, thus, my children, I love you.

And now, my children, I love you and as always bless you my God the Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. Do not forget, my children, those who are dying at this time. Say to your God, 'mercy and mercy for this brother or this sister or these children who are giving their lives, help them and take them to Heaven by your Mercy, Lord'.

Farewell my children, farewell my children, farewell my little ones, farewell...

The visionary speaks to our Mother

I ask You Mother for all those who are here and have come to ask You for so many things, grant them if it is for the good of their souls, and give them Your Love so that they may be happy with the Love that You give to all Your dear children. And me, make me humble, make me strong in prayer and simple in love; may the will of my Heavenly Father be done today on earth and in Heaven. Mother help me to carry that little cross that you have wanted me to carry at this time; but all for the glory of God the Father, God the Son, God the Holy Spirit. Make me, Lord, humble, strengthen my Heart and also strengthen and make humble all my brothers who are here in the presence of your Heart and all those who have not been able to come, and all those who have gone and all those who will come, Mother I love you, I love you, I love you, I love you, I love you, I love you, I love you.
