

05th October 2024

Monte Faro de Luz [Valencia de Alcántara (Cáceres) - SPAIN]

The visionary speaks to our Mother:

Thank you for being here with all of us, thank you once again.

Our Mother begins her message:

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls. Meditate, my children, **ISAIAH**. I always tell you, to meditate on your God is to know your God. Take the Bible and read because there you will see the treasure of your God in your hearts. Be alert, humanity; yes, you have to be alert, I have said it so many times, wars, earthquakes, tidal waves, volcanoes, waters that do not know where they go, and they take my children. Why is this? Because in the world it is sin that reigns. And you, my children, not only those here, because I speak to the whole world, you have to reflect, you have to do much penance, much prayer; you no longer say in the Rosary, “to the poor sinners,” for you too.

Who are you, my children, without God, without your Creator, who are you? Give thanks at every moment of your lives because a God of Mercy, a God of Love, has created you. That is why I tell you, my children, to make, as I have said so many times, a tabernacle in your souls, to carry my Son in your souls, he is the one who saves, but man does not see, does not want to see, man is caught up in a bubble of pleasures, sin, fantasy, ego, self. No, you have to go back to those years ago, when your parents took you to church to pray my Holy Rosary. Why don't you do it now with your children? Why don't you do it yourselves? What happens to you, my children? Do you know what happens? Satan is very cunning and enters through the senses, and when Satan enters a man, a woman, or an adult child and does bad things, sins, your God, my God, withdraws; because God, my God, your God, cannot be in sin, He is purity, and He wants all of you, His children, to be pure, obedient, merciful, loving. Why are there so many quarrels and so many bad things in the world? Why are marriages not united as they should be? I speak for Christians, Catholics, Apostolics, Romans, my children. There is a law in the Church, a Church that my Son made with Peter, man distorts it, separations here, abortions here, bad ways of stopping life. Live life as you have to, do good, God does not want impurity, God wants purity, because if you are baptized and

you are Catholic you have to boast of going to Heaven, and Heaven is won with the cross, through the narrow gate, the wide one is the Devil, the narrow one is God's, my God, your God.

Why so many wars? Why are there governments that say, or get together, and say, let's make peace and the least they do is peace? It is war, destruction, curse, pride, jealousy, envy. That is what the world is in now, corrupt, because the Devil is cunning, as I told you before, and he enters through the senses, and drives man crazy, and he no longer sees, and man has to see the light, as I bring the light here to you. Take the light, because you are light, and I give love, hope and sweetness, and everything that is good for you, so that one day you may dwell in the Celestial Mansions of Heaven where my God, your God, made for all humanity, for all his children. He created man and made him good, but Satan gets in the way and destroys man, and now my Son is asking with tears in his eyes for you to come to Him. The empty churches, the youth, where are my children the young? Drugs, desolation, suicides; all bad, all bad; but those who take the path of Heaven, these will be rewarded; but woe to those who have even had faith and have denied their God. My children, I come here to the Lighthouse of Light to bear witness, and I want to save you all with my Immaculate Heart, with my Son, with Me. Come to Us, for We are the Light of the World.

Today is a very beautiful day, "Témporas", you must ask your Creator Father for the good things he gives you, for the good things that you are also giving to the world today before you leave; but the most beautiful thing you can give is your heart to your God the Father, to my Son of Love and to my Immaculate Heart. Keep coming to this place, it is holy, and I already told you one day, thousands of people will come to prostrate themselves in my presence because I am Light.

Thank you all, thank you to the Portuguese, whom I love so much and I love them so much; I love everyone; come to sing to me, to pray to me, to talk to me; do not be afraid. I have told you so many times that when you are in your room, anywhere in the world, be in the presence of your Creator and tell Him: "Good Father, You made me for Yourself, I want to seek You and find You, so that one day we will be with You in Heaven, in those Mansions that You have made for me and for the whole world, singing the Hallelujah."

My children, be strong, do not be afraid of the world, because if you carry your God, my God, in your hearts, nothing will happen to you; look at the martyrs, so many martyrs die for my Son of Love. Where are the martyrs? In Heaven, and you too will be in Heaven if you deny yourselves, take up the Cross of my Son and carry it with love, with patience. Do not quarrel, husbands with

wives, children with parents; you do not advance anything. Be humble, those who are not humble, you set an example, and seek and bring humility to those who do not want it; take and say: “Jesus, your God, is with you here.” My Son has not left the earth, He is in each one of you, and He wants good. You do good, seek and you will find, ask and it will be given to you.

Today is a good day, and I will also tell you, it is the day of my Rosary, October, Rosary of my Love. So many rosaries that you pray, I make a chain and I take them to the Father, my Father, your Father; I put them there, all the prayers that you make; that is why today I tell you that before you leave, ask my Immaculate Heart that those rosaries and those prayers reach the Father, Mercy, so that the Father, my Father, your Father, has Mercy on you.

Do not be afraid, fear is from the Devil, many people, many, or rather, my children, are depressed, they have a great depression. I am sending you a very beautiful recipe for depression, Tabernacle, Tabernacle, Tabernacle, the Church of my Son is there, go there, look for Him, ask Him, tell Him, it is the best way to heal these depressions. Depressions sometimes kill. No, my children, if you have my Son in the Tabernacle, go there for a while and tell Him: “Jesus, look at how I am, heal me and save me, heal me and save me.” Please, my children, be humble, become like children, form yourselves, unite; and I also tell you that you have to form prayer groups in your homes; Today the world needs to be at home with each other to help you live in communion and in the truth of my Son of Love.

I am the Beacon of Light, I give Light, if you come to my Light and ask me for the Light, I will give it to you. Trust, my children, that I am here with you, and I will always be here when you come to pray to me, to ask me, with the angels, with the Saints; so many Saints come and are at my side, so many angels are here at this moment, and I am putting the Mantle on all of you, wrapping you in my Mantle and I am also blessing the water that is here below me; and I bless all of humanity. And I tell you one thing, my children, pray for there to be priests in the world. Faith is running out, and you truly, if you have faith, must pray and ask your Creator God for there to be priests in the world, because many churches are no longer churches. Some sell them, others do things they should not do, because there is no one to go to the Church to pray. But look, if you come here, as in the whole world where I appear, and you pray, pray, pray, Heaven will send priests and will send good children, holy children, like Acutis, like Padre Pio, like so many saints, Rose of Lima, Saint Clare, Saint Gertrude, Therese of the Child Jesus, Saint Teresa. Saints from Heaven and from earth will pray for you. And do not forget to pray for the souls in Purgatory,

because if you pray for the souls in Purgatory, they will come out one day, and since they are grateful, when they go to the Table of the Lord, of my Lord, your Lord, they will pray for all of you so that you may be converted and become saints.

Now, my children, I love you and I truly bless you with all my Heart, as my Son, the Eternal Father, my Creator God, my Son of Love, the Holy Spirit, my Sanctifying Spouse, and I, your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Be good, take away your ego and your self, it is worthless, you are in this world, my children, but this world is not for you, your world is Heaven, and Heaven is won with crosses, with love, with hope, with charity; and you know, your God is first and last.

Goodbye little ones, goodbye my children, I love you so much, goodbye children, goodbye.

Our Mother in Monte Faro de Luz.

Account Details for Donations

We inform you that we continue to pay for the meadow and we need to continue counting on your donations to meet the expenses. We greatly appreciate everyone's effort to make our Mother's Mission a reality. Thank you very much for your collaboration.
