Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones my children, have peace in your hearts and the light of my Light in your souls.

Meditate on my son **JOHN**, do so, so you will know your God, my God, more and more each day. Pray much, my children, do not stop praying, do not be lazy, do it.

The world is falling apart because of sin, Satan is getting in very fast because of sin, he is snatching away many of my children, I am in pain as my Son is that his children are going to perdition because of sin, my children. Be courageous, in temptations you know what you have to do, ask for mercy from your Creator, my Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse and also your Mother, I, to shelter you from all the temptations you will have. I have told you, 'do not be lazy' and I want to tell you to fill the churches, why do you not go to church, if the Divinity is there, how many times have I told you, Tabernacle, Tabernacle, Tabernacle, there is my Son waiting for you, why are you so lukewarm? My children, if you want to win Heaven you have to seek humility, perseverance, go, go to your God and tell Him 'Lord, here I am, your will be done, do not take me away from You, I want to be always by your side, You are my Creator and Lord, You gave me the understanding of good and evil, why don't you, my children, take the good? don't you know that all these things that are happening in the world, my God your God is understanding everything and they are things that are happening so that man can look to Heaven, get down on his knees and ask for forgiveness for all his sins, how many sacrileges man commits every day! But there is also a great thing, his Resurrection, but look at how much pain, how much suffering, what a crown of thorns, what falls, kissing the ground, scourging, spears, nailed to the Cross, the Love of loves, do you not have compassion, do you not see that a whole God, your God is so humiliated? And He is still humiliated by the sins of man, that is why I am making these movements and these appearances in the world to attract my children and save them from the death of the blackness of Hell; come to my Son, love my Son, seek my Son, you will all be happy if you are always with your God, do not go away from Him, do not go away from Him.

My children, I have told you so many times that I come to the world to save the world with my Son and here I bring you Beacon of Light so that you with me may ask for mercy and forgiveness for the poor sinners.

Do not criticise the Pope, do not criticise him, do not speak ill of the Pope, but where are you going my children? If it is my God your God who judges, who are you to judge anything or anyone?

Be of service to the Church, look for priests to administer to you the Sacrament of Salvation, which today many of my children do not care whether they go to church or not. I told you some time ago that eighty-five percent of Roman Catholic, apostolic and Roman Christians say they call themselves believers, but they do not act as believers because you have to pray to save so many of your brothers and sisters who say they are believers but do not act as believers, He who believes gives his life, he is at his brother's side, he is helping his neighbour, he is doing good, he does not want war, he does not want resentment, nor anger and today man, as I have told you so many times, like the heads of government who meet and say they seek peace and what they seek is war. Therefore, my children, pray a lot, pray a lot, you don't understand this praying, do you? Well, pray because I, your Mother, tell you to do so, and these prayers go to Heaven with me to my Lord Creator and He knows what to do with them, how many souls have been saved by praying for praying, my children, how many souls have left Purgatory for praying! Fina my child, they still have to pray for you a little more, a little more, but you are saved.

My children, come to this place of prayer and love and now, as I said a little while ago, do penance during these days of the crucifixion and death of my Son, who is crucified and resurrected every day, but who also has pain because man's sin hurts his Creator.

Believe in Him, love Him, tell Him Father, You are everything to me, You created me and I want to be by your side the day He says to me, come son or daughter to the Heavenly Abodes. All of you have to be a prayer all day long from the moment you get up until you go to sleep, 'I love you Lord, I adore you Lord, I love you Lord, I love you Lord, do not leave my Lord, I want to seek you always, I want you to be by my side, send me the Holy Spirit to give me that Pentecost that I say so often to the souls, to the saints and to the world'.

Seek your God in the Tabernacle, go to mass every day my children, every day and I tell you as I have told you so many times, Tabernacle, Tabernacle, Tabernacle, stop arguing, stop holding

grudges against each other, no, no my children you have to be loving as your God is loving, you have to be holy as your God said, be holy as your Heavenly Father is Holy, seek, call, He is always there waiting with open arms for that forgiveness, wait for all of you and don't be foolish, be, my children like those maidens with the lamps lit, the foolish and the ready, you be ready, ready always saying, 'Lord here I am let your will be done now, until the end of my day of my night of how You want', I love You Lord I love You with all my soul, I love You I adore You, don't leave me, I want to find You Lord so that I make in my chest a tabernacle that You always enter there, to adore You day and night.

So my children you have to do it, God first, God last, He is the Presence, He is your Creator, my Creator, how many times I also looked to Heaven towards the psalms and said 'Father here is your little daughter and I want to have you always in my heart' and she was attended because look, and you know Gabriel came to tell her 'get ready Mary because you will be the Mother of the Saviour' and I said 'let it be done to me according to your Word', well you all have to say it, let it be done to me as You command my Lord.

And now my children as always, I do not say goodbye, I go with you and I told you so many times that when you name Beacon of Light there I am, but now as always the blessing of God the Father Almighty, my son of Love, the Holy Spirit my Sanctifying Spouse and I your Mother Miriam, Heart of Mary Beacon of Light, Beacon of Light, Beacon of Light, Beacon of Light.

Farewell my little ones, farewell my children, farewell, farewell, farewell....
