*Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]*

---

The visionary speaks to our Mother

*Strengthen them, Lady, they come to see you, to love you and to ask you, in the name of your Son, heal and cure them. So be it Mother, so be it, blessed are you.*

My little ones, my children, have peace in your hearts and the light of my Light in your souls. Meditate on my son **JOHN**, do not forget, take the Gospel and meditate on it, so that you may know my Son, your Lord, more.

Alert humanity, alert humanity, alert humanity, alert humanity! Dark days are coming that man will not understand. Man is only dedicated to sin; proud, ambitious, bad conscience; they have left their God in a corner, they want nothing to do with Him, because their God is strict, He is loving, He is merciful, but He is a judge. He gave them understanding to do good or evil; good they reject, evil they accept, because of their whims, their vices, their lies, their selfishness, their being and well-being of their bodies. How wrong these children of mine are! That is why I come to the whole world to tell you my children of love to ask for the conversion of the world.

How many of my children are condemning themselves for not taking the Commandments of their God! And behold, I appear in the whole world and give the same words and the same counsels that I am giving in Beacon of Light. Many reject my Son, his Cross, they do not want crosses, they want diversions; that if it is good, things are good, they are good; but things that are bad, they are bad. And they prefer lies, pride, arrogance, greed, the power of Satan in their souls. It gives me great sorrow and my Heart weeps, like the Heart of my Son, to see that so many children who are good do not follow the way of their God. Many fathers and mothers here and in other parts of the world almost always say: 'how good my son is, how loving, how good my daughter is'. But of course, he lacks the main thing, faith, faith.

The sun rises for the good and for the bad, the water the same, the air the same; but of course, there is a very simple thing, those who are already old enough to know what is good or evil, even if they

do good, they are disobeying their God and they go to evil. Impurity, the joy of having and possessing, pride; he has more than me, I have more than him, I want to have more than him; why does he have more and I don't?

And they don't have obedience, then they don't really have love; even if the parents say, how good are my children, or my husband, or the wife. If they don't obey God's commandments, they are not doing well.

That is why I have come into the world to tell you: become like children so that you may enter the Kingdom of Heaven. Stop being proud, stop being angry and insulting. How many times have I told you! You cannot live saying yes to God and then do evil to your neighbour, even if it is in your families. Be silent, if you know that the Lord, my God, your God, is with you and that other person is picking on you, be silent, go to a room and get down on your knees, to pray for that person, family, friend, brother... Ask: 'Lord forgive them, they do not know what they are saying, what they are doing' Two do not quarrel if one does not want to; and I say this to all of you, my children, have charity, have love, and pray for those who need more than you do. They are confused, they are in the hour and on the road to Hell, because of their pride. Get rid of your pride, go to my Son of Love who is in the Tabernacle waiting for you all and ask for strength and faith. For without faith you can do nothing; you are fragile, you are human, and the devil is there trying at every moment of your life, every second of the day and of the hour of the day and of the night. Therefore, my children, get down on your knees and ask for faith, ask for faith; and let your God, my God, be the Lord of all your plans and all that you are going to do in life. Do not be the one who says, 'I want this, the Lord does not give me this, the Lord has forgotten me, because my husband has died, and I no longer want God because he has taken him away'. My children, my children, no, no, you love each other, cherish each other, strengthen each other in the love of my Son. That is why I tell you to fill the churches, to go to the churches to pray, to ask, to tell the Lord, my God, your God, 'Lord save me, save me and save my family, I come to ask you for all of them because they still do not know you, and I, Lord, with your faith, the faith you give me, I want to ask you for all of them'.

No grudges, as I have told you so many times, no anger, no injustice towards one another. See that your Creator made you clean and pure, and even more so with your Baptism. Then, of course, you become great, older and there is evil; and then instead of taking the good, you take the evil that gives you the tastes, the pleasures. It is wide everything, you go after that; no, my children, be

content with everything that God gives you, who gives you everything for free. You also have to give freely to others. Love each other truly, do not have those hatreds that you sometimes have of death. My Son weeps, I weep, because there is no one to remove the nails we have in our Hearts, there is no one. I also want, as I have said so many times, victim souls, victim souls who dedicate themselves only to their God and to my Heart. And you must do so, let go of grudges and anger, the one who saves you is your Creator. So pray for the dying; today, my children, I am taking many souls out of Purgatory, many souls out of Purgatory; some of your families, that is why you have to sing what you sing, 'here we are again'. The month of Mary, the month of my Heart, the month of love. Pray rosaries, the machine gun that I have said, without bullets; beads, beads, wooden, plastic, but beads, Hail Mary, full of grace, the Lord is with you, blessed are you among all women and blessed is the fruit of your womb Jesus. I want you to pray it, not one rosary, two, three, four, five, six; it is the salvation of your families, your salvation and the salvation of the whole world.

Be alert humanity! Many events are coming on earth, the apostasy of the Church; in the Church they do not understand each other. You men do not understand each other; you have no patience because charity is lacking in your hearts. Follow my Son Jesus with the Cross, make, my children, the Way of the Cross, that you may have in your hearts what my Son suffered, the falls, the crown of thorns, when He was slapped, when He was scourged, when He took the Cross, when He was nailed. That is the pain that you must carry in your hearts; a whole God became nothing; He was humiliated by everyone, by Him, by the Almighty, by God, by your God. You must feel it, you must feel it, and say: 'Jesus, I want to carry a little of your Cross'. But really, no more now, no more tomorrow. Go and accept faith, ask for faith; and make a tabernacle in your hearts so that my Son and the whole Trinity may dwell in you. How many times have I said it, become like children, and make a tabernacle in your souls, so that one day you will go to the Heavenly Abodes that my God, your God, prepared for you before you existed. And have faith, much faith, much faith, like Thomas; if I have seen I have believed; no, see do not see, believe without seeing, that is the mystery of Heaven for your hearts.

My children I bless you all, and I bless all the objects you have brought. I want this month, this month of Mary, of your Mother, to keep in mind, day and night: 'Hail Mary, full of grace, the Lord is with you. Mother, do me this favour, take care of my daughter, cure my brother, cure my husband, take away the grudges from my heart, that I may be good to all my brothers, to my wife, to my husband, to my brothers'.

May I, indeed, as I come to Beacon of Light, bring this feeling from the heart - from my Heart - to all of you so that you may bring humility as I have to other children, brothers and sisters and family throughout the world.

I love you so much, my children. And do not forget to take with you the water of the stream, which I said from the beginning is blessed and will heal the body or the soul. And have patience; in a word, my children, faith can do everything, faith can do everything; have faith in your God, my God. And pray a lot for the priests, pray a lot for the Pope who is coming; pray a lot for the Church, fill the churches, fill them, don't just go once a week or once a month, go every day if you can, my children. You don't have to be lazy for God, not for God, God is the one who saves you, who will save you.

Be on the alert humanity, how many things you are going to see soon, soon; thirty-five, sixty; all that Beacon of Light has said has been fulfilled and all will be fulfilled. For the things that come from Heaven, all things come forth, sooner or later; it is of God, it is of your God. Blessed and praised and glorified be my God, your God, in Heaven and on earth.

Now, my children, I give you my blessing as always, but first my God the Father Creator, my Son Redeemer, the Holy Spirit, my Spouse Sanctifier. And I, your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light.

Come to this House, my House, your House, to give you thanks, as today I am giving thanks to all of you who are here, to those who could not come and to the whole world.

Farewell, my children, take a thorn from me with love, take it from me; farewell, children, farewell, little ones, farewell, children.

### **Now the seer speaks to our Mother**

It will be great, great, but you must pray much that my wishes may be fulfilled. This land, the house, will be big. You have to pray for the house, my son, what I told you will be fulfilled, perhaps you will not see it, but it will be fulfilled. Continue to love Faro de Luz; and do what I have said, the will of my God in your souls, fulfil it, do not be one more than the others, all one, warriors all, do not command one more than the others, love one another, love one another, love one another, love one another.

My little ones, Faro de Luz will be great if you want it to be great. Son humble yourself, humble yourself, my son, and may it always be the will of your God, my God; fulfil, my son. I love you, gusanico I love you, goodbye....
