Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

Thank you, Mother, for bringing these children of yours here to pray and ask for all of humanity.

My little ones, my children, may you have peace in your hearts, and my Light will always be in your souls when you ask for it. Continue meditating on **MATTHEW**.

Thank you, my little ones, for being here in my House, your house of love, faith, and hope. Ask not only me, but also my Son of Love who is with me.

Every man who asks for forgiveness is forgiven; every man who denies my God, your God, will be condemned. That is why, my children, I appear in all parts of the world saying the same thing: come to my Heart, come to the Heart of my Son who is the one who saves. I am asking the world and gathering the world so that all of you may pray for the conversion of the world. Everything is near now, my children, the days of darkness are approaching. Do you not see how the world is? Rebellious, unbalanced, because man sins, and sins, and sins; horrible sins that nail my Son every day and every second to that Cross he carried at the beginning of his life. He dies for you, for all humanity to save it, and what has man done from those times until now? Crucifying him, and He - what patience! - begging God the Father, your God the Father, to save all humanity.

But the Archangels are already in the presence of the Trinity to hear the voice of the Father to come to those days of darkness. Woe to those who are not in God's Grace! My children, I know that all of you want to be saved and I know that all of you have a clean heart, but, my children, the Devil lurks and enters through the senses, and when he catches a man, or a woman, in those grave sins, it is difficult for them to get out of them. That is why I asked that the ground be kissed, but not for kissing it for me, but for your humility; a man of humility is holy, and you are here as in all places in the world where I appear.

You have to seek holiness, and what is holiness? It is humility; and in humility everything goes:

hope, sacrifice, penance, self-love; and then to all brothers. Hatred, the rottenness of man, the grievous sin that has no humility, that one is seeking Hell.

No lies, my children, no grudges, no hatreds. How many times have I told you: husband, wife, truly love each other; if at the beginning of being engaged, as you say on earth, you know each other and love each other and are so happy, why are you so bad in the end? What is happening, my children? Do you not see that, in the Family of Nazareth, I with Joseph my husband and my Child, your God, there was harmony? And do you know why? Because we were both in the Prayer of the Father singing His Praises. We were more than spouses, siblings; that is why, my children, I tell you this, that you can be happy when God, my God, is in your midst. You cannot fail if you have God in your hearts.

Reflect, my children, do not quarrel, do not argue; do everything for the Love of God. Grudges do not go to Heaven, money does not go to Heaven, clothes do not go to Heaven, pleasures do not go to Heaven; the purity of your souls goes to Heaven, the body corrupts, but the soul, the one that is clean or not clean, you have to choose either God or the world, and I know that you are here to choose God, that is why you come and come to ask. It is time to ask my Heart and the Heart of my Son.

No gossip, no entanglements here and there and lies; my God, your God, does not want that. I told you at the beginning: humility, purity, and faith. Seek faith, ask for faith, from morning until you go to bed at night. That will save you from being of the world, and make yourselves holy like your Heavenly Father, the Holy One.

Seek, knock, you will have and you will find; your God, my God, will not say no. You have to be patient, you have to pray a lot; do not want miracles to come instantly; you have to purge, you have to carry the cross, and you must take and follow the narrow path, never take the wide one, the wide one belongs to the Devil, where pleasures, vices, the happiness of a second, or a minute, or a day, or a night are, but then comes the bitterness of your souls, because you have that thing you did wrong. That is why I tell you, my children, that you should all be brothers, love each other. I bless you all, my Son blesses you all, the Father, my God, your God, blesses you all and the Holy Spirit, my Spouse, blesses you all. That is why I tell you to come to this Holy place, and to meditate on the Messages, because they are my words from the Heart to do you good. Do not be afraid of anything or anyone. They tell you, if they don't tell you: "I go where my Mother goes, where my

Mother is waiting for me to give me comfort."

Keep walking in love, seek love. Educate your children in love. You, my children, do not miss the Holy Mass of my Son, but with love, not out of routine, as I have said many times, routine is useless, because God does not enter there. You have to go with faith, and from the heart; then God listens.

Do not be arrogant in life, do not be the protagonists of anything, make yourselves like children, because the Kingdom of Heaven belongs to children. Men are immature and are turning their backs on their God, even if they say no, even if they say they love Him, but in the end they don't love Him; if they loved God, their hearts would be changing in humility, for humility.

My children, I love you very much. I come here to tell you the usual: pray, pray and convert, because my Heart and the Heart of my Son are waiting for you. And always say yes. "I follow you, Mother, because You are truly my Mother, and I will follow You until the end of my days. Tell your Son that we love Him, that we want Him, that He is always with us, and that He forgives us for the falls we make, sometimes bad, sometimes regular, but rarely good."

That is why I tell you, my children, to follow your God, my God, in love, in fraternity, in charity and in truth.

My children, realize that you are on earth for a short time and you have to deserve to go to Heaven; that is why you are here, created by a true God, my God the Father, my God the Son and my God the Holy Spirit, Trinity in one God. I am in the Trinity, because I am Daughter of the Father, Mother of the Son and Spouse of the Holy Spirit.

Walk this narrow path, and in the end you will see the Light. Sacrifice and penance, fasting, fast, even if it costs you, offer everything to my God, your God, so that you may have eternal life and be filled with my Son, with my Heart and with the Holy Spirit.

And now I want to say something very important; - Angel, dear Angel, my son, warrior of God, you know that you have a mission, that mission you have is love. Away with taboos; look at Heaven and look at your God, because only your God will save you. Do not seek refuge, seek the affection of my Heart; speaking with your Father and Lord. And you already know what you have

to tell Him: take everything away from me and heal me, cure me, save me. You are a warrior of my Heart; keep loving me and changing that troubled heart that goes nowhere. I am your Mother; my Son of Love loves you. I love you, and other friends love you. Seek the refuge of God: "Father heal me, cure me, heal me, cure me." Son of my love, away with taboos; you are free and free you are. Seek the aroma of my Heart. I love you, my son; do what I have told you and you will walk the path of the Love of Truth and of Heaven.

And now, my children, I bid you all farewell; but I do not bid farewell, because I will always go with you, whenever you say: Lighthouse of Light, I love you, come walk with me. And now I give you the blessing; but first, as always, my God the Creator Father, my Redeemer Son, the Holy Spirit my Sanctifier Spouse and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. Do not forget to ask my Son for all that your hearts need.

Goodbye, my children, goodbye, goodbye, goodbye, goodbye...

All your wishes have been fulfilled and I ask you for all these children you have brought here today, for all their problems, for all that they need in their hearts; now, however, increase their faith because if they do not see, they will not be able to do anything. Thank you Mother, thank you Mother, thank you Mother...
