Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

The seer speaks with Our Mother:

"I have told You everything already; may Your Will be done, the Will of Your Son, the Will of the Father, the Will of the Holy Spirit. You can do it."

My little ones, my children, may you have peace in your hearts and the light of my Light in your souls.

Meditate on **LUKE**, my children, so you will be filled with the mysteries and the Word of my God, your God, in your souls.

Thank you, my children, once again for being here in Lighthouse of Light with my Immaculate Heart. I watch over all of you, my children, over all your children, your families, over the whole world. You must pray a lot, my children, time is running out. Yes, my children, heads of governments are devising how to wage war on all humanity, but especially in Europe. Today I ask the world, my children, to pray for Europe. Man does not know what he is doing, he is in agony at the gates of Hell; they do, my children, what they should not do. First, they lead my humble children to poverty, to desolation; they only want riches, power, power, power. Where are you going, my children, if you will soon give your souls to your Creator? What will you bring Him, will you bring Him gold, will you bring Him jealousy and envy, grudges, anger, insults, the tongue that kills? Is that what you are going to bring to your God? Well, you are confused, my children, purity enters heaven, the purity of the soul. Look at this, my children, I tell you once again so that your souls may be saved, become like children, do not give to the tongue what you should not, do not criticize each other so much. How will this enter Heaven, my children; do you see what the saints did? But of course, many of my children say: "I cannot be a saint because God has noticed someone else before me." But how can you say such madness, if you are creatures created by the same God. If Saint Martin de Porres, Saint Anthony, Saint Francis, Saint Rose, Padre Pio, etc. etc. are saints, how can you not be saints like them? Of course, they became children, and they said: "Your will be done, here I am, whatever you want from me. You created me for You and I must

strive to reach the Kingdom of Heaven." It is easy to be a saint, my children.

Look at my Son on the Cross, look at my Son in the Resurrection, look at my Son in His teaching: "Come to Me, all you who are weary, and I will give you all that you need."

Persevere in prayer, be strong in temptations, because, as I have said so many times, come to Me and to My Son when you have temptations. You must polish your whole heart so that it is clean. Your God, my God, loves you so much; the Mercy He has for all of you, I am not speaking only for you, my children, I am speaking for the whole world. Man, as I said, eighty-five percent of the world, Catholic, apostolic, Roman, does not do what their Lord says. They believe, but they do not practice; what a pity and what pain. You, my children, from this evening, ask for faith, faith from your Creator, from my Son and from the Holy Spirit, my Spouse: "increase our faith, because without faith I can be nothing, I cannot walk." Stop grudges, anger, insults; stop wickedness; enough is enough, my children, when will you truly love your God? I tell you all.

My children, convert all of you, time is running out: fires, water, earthquakes, dead; the world says it is nature, these are warnings from Heaven that my God, your God, is giving so that you may fall to your knees and ask forgiveness for your sins. Be holy as your Heavenly Father is holy; meditate on all these words, these catecheses that I give you, meditate on them truly, meditate on them, you will see how in the end you will be at ease and sure that what I am saying is the salvation of your souls.

If a friend incites you to evil, pray for him; if a friend tells you let's go to this place where you will have a good time and it is bad, do not go. Fast for those friends, fast for their souls."""

The devil is wreaking havoc throughout the world, especially in the Church of my Son. The Horsemen of the Apocalypse are already here; apostasy is already in the Church; they do not understand each other. And neither does the world; I told you at the beginning that the heads of government are waging war. That is why I command you to pray much for what is coming and approaching the world. Pray for Spain, my land, land of my loves; pray for all of Spain. Ask for conversion, ask for fraternity, love, hope and strength, the Light of my Heart. Ask me, I am a Lighthouse of Light, and whoever comes to my Light I will give it to them; and never leave, as I have told you other times, without looking into my eyes. The sweetness of my eyes transmitted into yours. Look at my face, my Heart, look at it truly, for you will receive a very great gift from

your Mother: love, hope and charity.

Come to this place, my children, Lighthouse of Light, which I said would be great, it already is. Throughout the world they know Lighthouse of Light; and soon things will be fulfilled that I do not reveal now, but I will reveal them to my son soon.

Carry me in your hearts, be of Lighthouse of Light. And truly love each other, truly love each other; give each other a heartfelt hug; do not criticize each other, that does not go to Heaven, rottenness does not go to Heaven, a pure and clean heart goes. Husbands and wives, love each other; children and parents, love each other; grandchildren who love their grandparents and their parents. Set an example, always carry in your children the Heart of my Son and my Heart so that they may live holy until the end of their days.

Pray, my children, pray the rosary every day; two, three, five, eight, ten, all you can, for the conversion of the world and of your souls.

And now, my children, I love you so much, I bless you. But first, God Heavenly Father, my Son of Love, the Holy Spirit, my Sanctifying Spouse; and I your Mother Miriam, heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. May you have there in your hearts so many dead that men kill, especially Catholic Christians.

Goodbye, my children, goodbye, little ones, goodbye, children.
