Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones, my children, peace be in your hearts and light from my Light in your souls.

Meditate on **JOHN**, my children, in this month.

How much pain my Heart suffers for the sacrifices that man does not make for his God! Man is immersed in sin and the Devil traps them, the cunning Devil, leads them to the garden of his own.

Be warriors, my children, be strong in temptation; my Son and I are always by your side; come to us. But man, many men, millions, have turned their backs on their God, they do not love Him, do not know Him, nor do they want to know Him, because the pleasures of life are more beautiful than the spiritual part of their souls. They have the wide gate, they do what they want, not the narrow one. You, my children, who already know what the narrow and the wide gates are, always take the narrow one, it is the path that one day will lead you to the Heavenly Abodes that my God, your God, has prepared for you before you were born, my children.

Follow the Commandments, fulfill the Commandments, feed the hungry, give drink to the thirsty, provide shelter, visit the sick; do works of charity, my children; be the Cyreneans of your brothers, because one day my Son came into the world to save you all, He came naked, died naked, they did not know Him, they did not want to know Him, and today many do not even pronounce His name.

You are chosen from my Heart, and I bring you here for a mission; pray for poor sinners, for the conversion of your children, your families, for yourselves. Do not look at the dethroned world, but look at the world of Heaven; many times I have told you that gold does not go to Heaven, nor suits, nor all that a man can possess on earth; purity goes to Heaven; the gates are open to purity. But look, you still have time to pursue purity, humility: “Lord, let your will be done, here I am, send me.”

Yes, my children, you have a precious teaching, the Commandments; and also the Gospels of my Son; always communicate with the Gospel; do not miss Mass, the holy Mass. Confess often, speak with your God, do not be routine, routine is no good, it does not enter Heaven, the truth enters, the perfect person enters, the saint. I have told you so many times, that the saints were men like you. Why were they saints and became saints? Because first they went to God: “Lord here I am, I am nothing, I am small, but with You I will be great for the Kingdom of Heaven. Lord, I want to go to Heaven, give me the humility I need, charity; and that I know how to carry the talents You have given me, that I know, Lord, how to carry the Gospel of your Son to the world.”

You, families who have children, and some very rebellious; some do not want to know anything about my Son Jesus. With love and patience speak to them about my Son; but you have to give example; do not argue, do not have those things you sometimes have, which are anger, pride. How many times have I said: “do not argue because if you start arguing you will be in the presence of the Devil and there is no peace there; go to a room; whoever has more intelligence at those moments should kneel and ask God, their God, for forgiveness for what they are doing that is not good. When calm, speak kindly, and be humble, humility can do everything.”

Alert humanity! How many times have I said it, you are seeing that the world is going through not a good crisis, but a bad one; that God, my God, your God, allows everything that is happening because He wants man to come to his God, to kneel and ask forgiveness for his sins.

Always be in the grace of God, strengthen one another, always speak of your God. What a beauty those talks your priests give you when you go on retreats! You fill your hearts; but you fill them for three days, then it evaporates. No, no, “Lord I have come here to change my life, to give myself to You and to my brothers and to the one next to me.” Never flee from the poor who smell; have charity for those who have nothing; who smell, as I just said. You turn away, and I have said it before, when they ask you for alms for the love of God, give it; God, your God, knows everything, is the present, and knows all about your hearts. If you avoid this charity, how do you expect to reach Heaven if you are despising those brothers in whom it is my Son who dwells?

Strengthen yourselves with Communion, my children; take Communion every day, those who can, those who cannot, will do it another time. Tabernacle, Tabernacle, Tabernacle; go for a little while to talk with my Son who is there waiting for you to tell Him everything you have in your hearts, good, bad, everything. And you have the priests to go to them, so that they give that blessing of

forgiveness from Heaven. Love the priests very much, my children, love the Church. Look, many churches are closing because people, as I told you at the beginning, are turning their backs on their God, they do not want to know Him, because partying, drunkenness, the flesh, the misery of the body are more important. They do not look at their soul, that soul that one day, soon, will be judged by God, my God, your Almighty God. And truly I tell you, my children, that my God, your God, has so much Mercy for man that He does not want any to be lost; and He is giving warnings waiting for the forgiveness of His children.

That is why I bring you here, as in so many places in the world where I appear with my Son, and I say the same: ask, pray, sacrifice yourselves for poor sinners, and may there be a conversion in the world; ask for a Pentecost, that the Holy Spirit may come to earth, so that He may give Strength and Light to the men who are deaf and blind. Pray a lot for the Pope, for this holy Pope; for all the bishops, the religious, all the priests in the world, for the Church, because you all are Church. Your main home, my children, is not the house where you live, your first home is the church where the Divinity is, where He who gives, who loves you and who saves you is.

Now, my children, I, with my Son of Love, bless everything you have here in your wallets, in all your rosaries. I bless you, my children, as the Heavenly Father, my Son of Love, the Holy Spirit Sanctifier, my Spouse; and I your Mother Miriam, Heart of Mary, Beacon of Light, Beacon of Light, Beacon of Light. My children I love you; come back to this Holy Place where I am here to listen to all your things that you bring. Ask it from my Heart, from the Heart of my Son, that we carry it to the Almighty Father, to the Most Holy Trinity so that all that you bring may be fulfilled, if it is always for the good of your souls. But do not forget to ask for your conversion; and ask for faith, faith, every day, every day from your God, my God and Lord.

Goodbye, my children, goodbye, goodbye, little ones, goodbye, children.
