**The seer speaks with our Mother**

Yes, Mother, I place everyone in your arms, they are your children who have come from afar to ask you for so many things in their hearts. Place them in the hands of your Son; if it is for the good of all, let the will of God the Father be fulfilled. Listen to everyone, Mother, your children are here to ask you.

*Now our Mother begins her Message:*

My little ones, my children, how great is this day for all of you, for my Heart, and for all my children who love me around the entire world; and so I also love those who do not love me.

I am a Lighthouse of Light and I come giving thanks to all of you and to all humanity. I want you to come with Me one day to the Dwelling places that my God, your God, has made for you for Eternity. Be good and holy, my children; it is easy to be holy, my children, I have said it so many times, humility and let your will be done and that is how the saints were, they listened to God, to my God, their God, and God gave them the joy to take them one day like today is taking many children to the Kingdom of my God, your God. Do not say no, say yes, follow God: "I love you, Lord, take away this rot that binds me, this pride. You who have Mercy can do everything." Call Him, my children, do what my God, your God, wants from you, humility, perseverance, sacrifice, penance, prayer, communion, confession: "I will go on my knees or standing to adore you in the Tabernacle of your Love."

Why don't you do it, my children, why do you seek the world that leads to nothing? Only to the perdition of man, their bodies rot; and the soul, my children? If it is not clean it cannot enter the Kingdom of Heaven. That is why I come to so many places of this world to present myself to my children, to all, and to you, to say: repent, convert, seek God, follow God, and do what God wants you to do. And, what does God want you to do? He does not want parties, He does not want drunkenness, He does not want lust, He does not want rot; He wants you clean, the soul clean of all sin. Take away the pride, the ego, the self you have, my children, because that way you cannot

enter the Kingdom of Heaven. How much Mercy your God, and my God, has with you! How much He waits for you to come to ask forgiveness for your sins!

My God, your God, also cries when there is sacrilege, when there is mortal sin, as you say on earth; when there is destruction of bodies that come to nothing. Seek the treasures of Heaven, which are humility; as the saints you know did: Theresia of the Child Jesus, Bernadette, my children of Fatima; even queens and kings have sought humility in their souls and now are enjoying Heaven for all eternity. Seek it too, my children, seek it. It is easy to be good, even if pain pierces you, even if it hurts; seek God, seek Him, call Him. And also ask that the Holy Spirit come to your souls; call Him, call Him, my Sanctifying Spouse, the one who gives the gifts of that truth that man must carry until the end of his days.

Everything is so easy, my children; but man makes it difficult because he seeks the Devil before God. That is what is happening in the world, man does not want to see; but all this happens because of sin, my children.

Man does not look to God, even Christians themselves who believe they are believers are turning their backs on their God; they say He is boring, that they are fed up; those homilies those priests give that are very long, that are not understood, that do not speak as they should. What do you want? How do you want a priest to speak if the priest is placed there by the Lord? He is giving his life for all those; do not look at the priest's faults, look at what the priest is telling you, which is Love, the pure Gospel of your God.

Meditate on **ACTS OF THE APOSTLES**, keep meditating on it to know your God better, my Son, the Love of loves. I tell you one thing, One day I appeared to Domingo and said to him: "Take this Rosary to spread it to the whole world." That is the salvation today for all those who are in agony, who have no dreams of love. Pray the rosary, it is the prayer that awakens man and the conversion of man, as I have told you sometimes, two, three, four, up to twenty rosaries. Pray it for your conversion and for your sick ones. The prayer of the rosary is my favorite prayer; when you pray it, they are like rose petals that I carry to Heaven to my God, and my God and Lord acts with those prayers that you make so small and short: "Hail Mary, full of grace, the Lord is with you, blessed are you among all women, and blessed is the fruit of your womb Jesus." The perfect prayer of my Heart that I carry to the Throne of my God, your God, and He works wonders; it is the conversion of man when you pray this prayer preferred by my Heart.

You are in the month of Mary, I am the Queen of Spain, I am Mary of Spain, as you say. Pray many rosaries now this month, ejaculations; ask for your sick; and come to my Heart, to Lighthouse of Light: "Lighthouse of Light, save my son; Lighthouse of Light, my husband; Lighthouse of Light, my wife; Lighthouse of Light, my family, attend to them and always take us under your Mantle which is the Mantle that saves.

Come to this place, my children, and I will give you, as my Son, a hundredfold. And bring candles to light your God and my God in your homes. The candle is the light of the world, the Light you will contemplate one day when you go to Heaven because Heaven is Light, it is Light. We will be happy with the Lord, the Angels, and the Saints.

And do not forget, as I have told you before, to ask the Holy Spirit for all your families, that a new Pentecost may come to the world, which is needed. The world is being dethroned, wars, vices, desolation, horrible sins. Ask Him so that God, my God, your God, may be appeased and have mercy and pity on all humanity.

Offer masses for your deceased, my children, for those who die, who are in agony, even for the sick. The mass is the greatest treasure you can have. Salvation is the same God who is in the Host, there He is waiting for you so that you may spend a moment with Him and say: "Lord, forgive me my sins, my faults, my ignorance; give me that love that You give so that I may truly be a warrior in Your Divine Heart. Keep me away from all evil and take care of me, my soul is yours, which you gave me to one day be with You in the Mansions you have prepared for us.

I love you, my children, I want you and I give you the blessing. But first, my God Father Creator, my Son Redeemer, the Holy Spirit my Sanctifying Spouse, and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light.

You are all blessed; those objects you have brought, and those you have taken from here, all are blessed, my children. Always remember to keep the candle lit because darkness approaches very fast. Alert humanity, alert humanity, alert humanity! Tabernacle, Tabernacle, Tabernacle.

Goodbye little ones, goodbye, my children, goodbye children.
