Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones, my children, peace be in your hearts and light of my Light in your souls.

Keep meditating on the **ACTS OF THE APOSTLES**.

There is joy in Heaven and on earth today; your Pope, my beloved son, has come to Spain, Land of Mary. And why has he come to Spain? Because you, my children, are Christians, Catholics, apostolic, Roman. My Heart is joyful, but I also suffer, because all of Europe has turned its back on its God, all of Europe, the whole world; but those who called themselves Christians, Catholics, apostolic, Roman, are wrong, they do not love their God, and that is why the Pope, my beloved son, has come here to Spain, to pray with you so that the world may be saved, through your prayers and my prayer with you.

Do you know what it means for the Pope to come to a country? The King of Kings is in Spain. My Son of Love in Pope Leo, it is my Son Jesus Christ who goes inside the Pope. Listen to him, love him and do not criticize him. Why this agony of man to criticize what they do not see? Why do they raise false testimonies in two days or in a year? They want to crucify him as they crucified my Son, because it does not suit them, because he speaks the truth, of love. It is my Son who speaks in Him; you have to understand and comprehend this; placed by the Trinity, the Universal Church, the bishops, the cardinals, with the Holy Spirit, and the Trinity proclaimed the Pope. Who was the Pope comes from Heaven; they say they also make mistakes, of course they do, because you are all sinners, but listen to him, listen carefully to what he tells you, the encyclicals he makes, listen to him because he will always speak of Heaven, of my Son, of Love.

Strengthen yourselves, my children, with the Blood and Body of my Son every day and ask for faith; with faith you will move mountains, without faith you are nothing, you will have all the whims of the world at your feet, but then it falls apart and you do nothing because it is the work of the Devil. Everyone who has money, arrogance, pride as their God, man cannot go from pride

to pride because he will never reach Heaven, Heaven is won with humility. Be holy, just as your Heavenly Father is Holy, you will see how happy you will be when you have the Light of your God, my God, in your souls, you will walk in peace.

Do not worry about the things of the world, leave the world now my children; go slowly and steadily to win that land that one day soon my God, your God, will call you to take you to the Heavenly Dwellings, but you have to earn them with humility, perseverance.

Offer to your Father all diseases, all these things that happen to you in the world, which are sometimes very hard for you: "I can't do this, I am not made for this. Why does God send me this? I am dying in agony." Why do you speak like this? Why all the diseases? Whatever you cannot bear, do not hesitate to get on your knees and say to your God: 'Lord, take away from me all this that is happening to me, that I do not know, that I do not understand.' Your God, my God, will calm you from that agony, from the sadness, from the diseases.

Because, look, my God, your God, prepares you on earth to have a better life than on earth, which is Heaven. But you have to suffer as my Son suffered for all of you; you do not see how in one week they applauded him, blessed is he who comes in the name of the Lord and immediately they put a cross on him and nailed him; the same as they said "blessed is he who comes in the name of the Lord." It is that the Devil gets involved in every moment of life; you have to be alert for when temptation comes, you say "Lord, take away from me the Devil, his minions, I do not want to be with them, I want You in my sickness, in my life, in my work, in everything, because You are the one who saves me, and I want one day Lord to be in those Dwellings that you prepared before we were born, to be together for all eternity, with the Creator, with our God." Do you know what Heaven is, my children? All eternity, for those who are saved, a whole life loving and worshiping their Creator God; those who are condemned, because understand, my children, that Heaven exists and Hell does too; Hell is never being able to see your Creator again, it is the agony of the soul that is always cursing, suffering, enduring all Eternity. That is why, my children, prepare yourselves because the moment is near, you do not know when you will give that testimony in Heaven with your Creator, so prepare yourselves through confession, through penance. I have said many times that you should do the Calvary of my Lord, my Son of God, my Son the Savior who carried the Cross to save you all. I want you to do the Stations of the Cross, if you can every day, and think about the death and Resurrection of my Son. It is Salvation; and I also tell you to pray the rosary, do not get tired of praying the Rosary. The rosary is what I command you to do so that

one day it will lead you to Heaven with your Creator, my Son of Love, and the Holy Spirit my Spouse, and all the saints of Heaven and earth.

Become saints, my children, it is easy to become saints, I have said it so many times, only two things are needed, nothing more, humility and to do Your Will. If your God's will is done, there is everything, everything, because you will not be proud, you will not be ungrateful people, you will not be jealous, envious, you will not be bad people, because humility can do everything, it makes you good and holy and in the end, "Your Will be done Lord, on earth as it is in Heaven."

Everything is approaching, everything is coming very fast, the warning is near, you are going through a great crisis, the Church is going through a crisis, you see it, there are no priests, churches are empty, churches are closing, in the convents there is a crisis. Why is there a crisis? Because the Devil is dominating the world, because man has turned his back on his God, man wants to do as he pleases, his whims, his lies. God is Love, God is perfection, God made man perfect, and you have to seek perfection in your lives. Do not scold one another, love each other spouses, love children with parents; seek the aroma of the Heart of my Son and the Aroma of my Heart. I am always with you, as my Son is. Ask the Trinity to heal you from all evil; and pray for one another for your salvation. I am a Beacon of Light, whoever comes to Me and calls Me and speaks to Me I will always be with them.

Keep walking in love, coming to this earth that I am here, that I appear; believe it, my children, I am here like you, what happens is that some see Me in the soul, others pray to Me; but I am with all of you. I bless you all, my children, and all that you have brought. If you carry lamps, light that I want you to place the light every day in your homes for the adoration of my Son in the Most Holy Sacrament of the Altar, let your homes be an altar because there my Son and I will always be when you call us.

Do not hold grudges against one another, nor look for the harm of anyone, seek love and forgive those who curse you, those who do not love you, forgive one another as my Son and my God, your God, forgives you. If you do not forgive on earth, in Heaven you will not be forgiven either. Take pride out of your souls, pride is worth nothing, it is the Devil who comes to disturb your souls and your hearts. That is why I tell you, Tabernacle, Tabernacle, Tabernacle, take the Body and Blood of my Son as many times as you can. And say: "Jesus, my friend, my everything, come to my soul and take away everything that hinders me, that tramples the Dragon and that I may always serve

you with love; give me hope, and above all, Lord, faith, faith, faith, that can do everything.

And now, my children, I thank you for being here. Have you seen the aroma of my Son in Christ, have you seen it? Well, that aroma is to tell you that He is present here and everywhere in the world. Kiss Him before you leave; bow at His feet and kiss His feet, and ask Him at those moments for everything you have brought to my Heart and to the Heart of my Son. Don't forget to have a lamp lit in your homes, the Light of the world is there in the light.

And now, my children, I bless you; but as always, my God the Father Creator, my Son of Love, the Holy Spirit my Sanctifying Spouse; and I your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. Little ones, I love you.

Goodbye, my children, goodbye little ones, goodbye children.
