Mount Lighthouse of Light [Valencia of Alcantara (Caceres) - SPAIN]

My little ones, my children, may you have peace in your hearts and the light of My Light in your souls; once again, thank you for coming into My presence.

I bless you all, My children, just as I bless the whole world and all your families; your children, husbands, wives, everyone. My heart is with them, but you must do everything possible and impossible so that those children who have withdrawn from the Heart of My Son and from My Heart may come to us; work and struggle, that is your little cross or great cross, those who are beside you and do not want to know My Son. He is an obstacle, He is far from them, why? Because they have taken the wrong path; the wrong path is the world, the world of hatred, lies, money, power, misery; at least you are here, and I know that all of you want to be saints, good people. Ask your God very much, ask My Son very much, ask My Heart very much.

My children, meditate on **MATTHEW** still; you must learn the teachings of My Son. Open the Gospel every day, even though many of you may not be able to go to Mass, read it, meditate upon it; it is the Word of My Son in your hearts, and in this way you will become holier each day.

Look, you are seeing the world in turmoil, in turmoil because man is evil, he is evil; man speaks of love and then it is a lie, everything he carries in his heart is hatred. That is why you are seeing, those of you who are present here and throughout the whole world, that the world is on fire, in water, in pain, in misery, in war, and all this is because they have turned away from their God. But I ask you, as I ask other children of Mine who are also in the world praying as you do for peace in the world, for the conversion of the world.

My Son is hurt, My Son suffers. How many sacrileges man commits against My Son of Love, and against My Divine Heart as well! Why, why do they hate God? Because Satan has entered the hearts of these children of Mine, whom I also love. That is why I ask you to pray for the conversion of man, of all men.

Seek love, My children, go to confession more often, fill the churches, seek the Tabernacle, which stands lonely, waiting for you to go and ask My Son of Love for everything you need; but you pass by, My children, laziness deceives you. There are many who say yes, but then it is no.

You must rise with the Spirit always, always asking the Spirit, My Spouse, the Holy Spirit, to grant you those Gifts that you need: hope, charity, goodness, humility, perseverance. Why can you not do it? Why are you more in the world than in the things of your God? Why are you in the world? Remember Sodom and Gomorrah, My children; only five remained, five were saved, and in the end four were saved, Lot and his daughters; his wife was drawn by the world and became a pillar of salt because she was saddened to leave behind what she was leaving, which was evil: the flesh, misery, pain.

My children, do not seek these evil things, but always seek what is good. And how will you seek what is good? By going to Holy Mass, going to confession and receiving Communion; sacrifice, penance, do not hold grudges against one another, love one another, love one another; husbands, love your wives; wives, love your husbands; children, love your parents; brothers and sisters, love one another, so that you do not have grudges or hatred. Nowadays, as the world says, it is money, money. No, money goes away, My children; all that lies ahead of you is eternity. Four days, twenty, as I have said so many times, ninety, one hundred years, and then, My children, it is Eternity. You must seek Heaven, and Heaven is sought with humility; and, “Thy will be done, my Father, for Thou art my Creator, and Thou created me for Thyself.”

Heaven is Eternity; this comes to an end, My children. The body decays, it becomes ashes, but the soul does not; the soul is alive forever, and the soul is the one that goes to Heaven, Purgatory or Hell.

You must think that it exists, that it is true, that Hell, Heaven and Purgatory exist; so why do you not seek Heaven and always seek what is evil? Why? Because of hatred, lies, talking, talking, My children. Criticism is very bad; you cannot criticise one another, nor judge, always judging vainly. The One who judges is your God. God the Creator and Father of all knows everything; even before you were born, He already knew what you had to do and what you are doing now and tomorrow and the day after; and He knows the day when He will come to say to you: “Come, give Me your souls.”

I, as your Mother, am here, as I am in so many places throughout the world, and I tell you: go to confession, be at peace with God; be perfect in prayer, and when you have those sins that you commit, and that man commits, run to the confessor; confess them, so that when the moment of your lives comes to give your God that moment of salvation or condemnation, you will be ready.

No one speaks of Hell, My children; Hell exists. How many times did My Son say it in the Gospel: “Come, blessed of My Father, to possess the Kingdom of Heaven; for I was hungry and you gave Me food, I was in prison and you visited Me, I was alone and you were with Me. Those will say, ‘When did we see You, Lord?’” That which you saw in one of My little ones was your God; My Son of Love was always there, in that one, in the other, always. Man never looks with that love at the goodness of the soul, but instead seeks what is bad: “He wants it for drunkenness, he wants it for drugs, because he smells, etc.,” as you say here on earth. Who are you to judge? You too can fall into this trap of the Devil. And know that they are all My children and I love them just as I love you. Therefore, you must show charity and not look for those stumbles that you seek, turning around so as not to see that poor person who smells. No, that is your God, the One who is there; do not remove him from your hearts. Help your neighbour; that is charity, that is charity, and holiness. That is why I tell you to seek the Love of your God.

Imitate your God because He will always give you a hundredfold; and know that He will save you if you are just in following what He says and has said. The Commandments, proclaim the Commandments, those Ten Commandments that weigh heavily upon man: the first, to love God above all things and your neighbour as yourself; how difficult it is. “Am I going to love God? But I cannot see Him. And am I going to love my neighbour? I do not even know who he is. I am not interested.” And God says that we should love Him, Him first and then the one who is beside you. Do not take His Holy Name in vain. Keep holy the feast days. You must be just, because He is just with everyone, because He made you children of God. Honour your father and mother. Do not kill. Do not fornicate, etc., etc., as you say here on earth. But the most important thing of all this is to fulfil the will of your God.

Rise with joy, make the Sign of the Cross, say: “Lord, here I am; Thy will be done in good and in evil; I want to be Yours, I want to follow You, I want to love You, I want to be Your child because You created me for Yourself; and I know, Lord, that I have little time left to be on earth; and that little time I am going to dedicate to You, with my soul, with my body, with my life, because You are the One who gives me life, and You give it to me freely and always.”

He always gives a hundredfold; therefore, My children, enter into the Heart of My Son and of your God the Creator, my God the Creator; and come to Me, for I shelter you beneath My mantle and I am always with all of you. Ask Me now, while you are here; ask Me for everything you bring with faith and hope.

Do not be afraid, ask, ask My Heart and everything will be accomplished if God, My Father God, sees that what you ask for is good. I ask you always to carry the Light in your hands, to your homes; I mean the candles that I bless here, that I have blessed and will bless. The candles are the Light. I am the Lighthouse of Light, and wherever My Light is, you will be with Me, because you ask Me and you are at My side.

Continue walking in love and for love; that is how I want you to be, good Christians, Catholic, Apostolic, Roman. And I tell you, My children, be happy; always have a smile upon your lips, and a love, the love that I give. Imitate My Sweetness, because I am going to give My sweetness to all of you.

Think that man is perverse; what is happening in the world, My children, you must know that it is the work of Heaven, because man does not want to see. These things happen and they do not pray, they do not ask God for mercy; and greater, stronger things must come, it has already been foretold. I, with My Son, will come on the third day of darkness; and that is near, My children, it is near.

Pray very much so that it may come with greater calm and less pain; because you can already see it: fire, water, desolation, war, misery. It is man, it is sin that commits all this, and my God, your God, is already tired, very tired of giving so much goodness, and man does not give Him the love that he ought to give. And I also tell you to continue every day praying the Holy Way of the Cross, the Passion of My Son; meditate upon it, there is the truth, there is the salvation of your souls.

My children, I love you very much, I love you; thank you for being here once again with your Mother, who loves you all, loves you with a healthy and pure Heart. I want you to imitate My Heart, like the family of Nazareth. I already told you the last time I spoke to you, I told you what the family of Nazareth was like; it was Joseph, My Son and I; and how happy we were when we looked towards Heaven and sang the Psalms, praying to my Lord Creator. Joseph, pure and humble; My Son, as you know, was God and is God; it was a true family. Imitate us, imitate us in love for Love.

That is all, My children, I want to tell you that I love you and cherish you and give you My blessing. But first, My children, my Father, my Almighty Father God, My Son of Love, the Holy Spirit, My Sanctifying Spouse, and I, your Mother Miriam, Heart of Mary, Lighthouse of Light, Lighthouse of Light, Lighthouse of Light. Do not forget, My children, what I have said. Ask Me, ask Me today while you are here, those who have come again, those who are always here, about those pains, those sorrows, those things you have in your hearts, those doubts; ask Me and look into My eyes so that I may ask My Lord for you, if it is good for your souls to grant it to you.

Goodbye, My children, goodbye, goodbye children, goodbye.

Our Mother speaks with the visionary:

My little one, some children have spoken to you about the problems they have in their lives. Let them come straight to My Heart, since they can resolve all these things that you bring; it is your Creator. But it is good, My child, that you ask for all these things that they tell you, from My Heart and the Heart of My Son. I know so many unpleasant things, so many things concerning affection, so many things that you are going through in your families, so many things that you cannot remedy. But there is one very great thing: if you truly have faith, everything can be resolved. Ask your God, my God, for faith at every hour of the day: "Increase my faith and give me, if it is for my good, all these things that I ask of You, my God; do it."
